HEALTH, MEDICAL & FAMILY WELFARE (VC.III.1) DEPARTMENT

G.O.Rt.No 305

Dated:10 .03.2010

Read the following

1.From Director of Health Lr.No.34590/VC.III.C/2008 Dt.7.08.2009

ORDER:

It is observed that most of the hospitals, including teaching, district and area hospitals are issuing various types of medical certificates including disability certificate etc. While the instructions might have been issued from time to time in the past, the happenings in certain cases indicate that the instructions are not being implemented effectively and certificates seem to be issued casually without even verifying the identify of the individual.

2 It is further observed that the following lapses are being generally committed by some of Government Doctors in issuing Medical Certificates:-‘

- a). There would not be any mention of the OP Regn.No.of the person in the Medical Certificate and the fitness certificate.
- b). There would not be any evidence as to the establishment of the identity of the individual in the form of the photo identity card having been verified.
- c). The nature of disease is also being mentioned in a very cryptic manner and it is not possible to relate it to the length of leave recommended.
- d). It is also seen that the doctors involved have issued disputed medical certificates in their personal capacity though they have used the official stamp under their signature.

3. It is, therefore, felt that there is an imperative need to examine all the relevant instructions issued in the past in relation to issuing of various types of certificates, to compile and to update the same so as to give a comprehensive set of instructions.

4. The Government, after careful considerations hereby decide and accordingly order to constitute a committee comprising of the following Head of the Department as members:-

1. Director of Medical Education – Chairman
Hyderabad
2. Director of Health - Member
Hyderabad
3. Commissioner of A.P.Vaidya Vidhana Parishad - Member Convener.

5. The above said Committee shall go through the relevant instructions/ norms issued in the past in respect of issuing various types of medical certificates and make specific re - commendations and formats for issuing of various certificates by the Government Doctors.
